

Erosion & Sedimentation (E&S) Control, E&S Control Permit, and
National Pollution Discharge Elimination System (NPDES) Application Package
Revised February 26, 2026

ADMINISTRATION:

All permit Notice of Intent (NOI)/applications must include all items required by the *NPDES NOI checklist* or E&S Control Permit application checklist.

The Adams County Conservation District (District) will review this plan solely to determine whether it is adequate to satisfy the requirements of Title 25 PA Code Chapter 102, the erosion and sediment control and stormwater management regulations of the PA Department of Environmental Protection (PA DEP). By a determination that the plan is adequate to meet those requirements, neither the District nor the County assumes any responsibility for the implementation of the plan or the proper construction and operation of the facilities contained in the plan. The design, structural integrity and installation of the best management practices are the responsibility of the landowner and/or contractors. **NOTE:** Before any construction or earthmoving begins, other local, state and/or federal permits may be required from other permitting agencies.

E&S PROJECT FEE SCHEDULE:

This project fee is for plan review services, site inspection services, and other services to administer the Chapter 102, Erosion and Sedimentation Control Program. Additional project fees will be required for resubmission if the application is withdrawn or denied.

WITHDRAWN AND DENIED APPLICATION POLICY:

The following policy has been developed in addition to the current Chapter 102 regulations regarding a withdrawn or denied applications:

1. Fees submitted with the application will not be refunded. 102.6(c)(3).
2. Upon re-application, all fees required by regulation must be submitted. 102.6(b)(1).
3. Withdrawn applications that do not change the scope of the project and are submitted within 180 days of withdrawal will be required to pay 25% of the current Erosion & Sedimentation (E&S) Project Fee. 102.6(b)(3)

INCORRECT PAYMENT:

All required checks must be complete with the correct amount and payable to the correct name listed on page 3. The District will write void on incorrect check(s) and send them back to the applicant and will contact the applicant for corrected check(s) if check(s) are not complete or correct. The applicant will have 5 business days to get corrected check(s) to the District or all checks will be mailed back to the applicant. The project will not be considered received and will be placed on hold until the corrected check(s) are received.
