

CALLING ALL ADAMS COUNTY MUNICIPALITIES – LAST CHANCE TO COMPLETE THE ADAMS COUNTY LTAP QUESTIONNAIRE

In an effort to maximize the benefits of the LTAP program in Adams County, we would like to know how LTAP can best serve you and your municipality. **Please complete the short questionnaire by Friday March 25, 2022 by clicking the link - <https://arcg.is/1vWO5b0>.** **Your feedback will enable us to customize the training to fit the needs of the municipalities within Adams County.** Thank you to those municipalities that previously submitted feedback.

MUNICIPAL OPPORTUNITY TO LEARN MORE ABOUT PENNDOT CONNECTS AND POTENTIAL FUNDING OPPORTUNITIES – APRIL 14, 2022 (9 AM-11 AM)

Through PennDOT Connects, the Pennsylvania Dept. of Transportation and its regional planning partners are strengthening their partnerships with communities by involving local government at the very beginning of the planning process so that land use, development, and transportation are better integrated and more effective. **Attend a session to learn more about PennDOT Connects and the free resources available to municipalities.** The District 8 Session is being held Thursday April 14, 2022 from 9am-11am at PennDOT District 8-0 / 2140 Herr Street, Harrisburg PA 17103. This session will be held in-person and virtually. The virtual link will be emailed to all registered participants the day before the event, in the event they are not able to attend in-person. [Register here](#)

WALKWORKS GRANT ROUND NOW OPEN

WalkWorks is accepting grant applications from municipalities to assist with the development of Active Transportation Plans, Complete Streets policies and/or Vision Zero policies. These plans and policies establish activity-friendly routes that connect people to everyday destinations and opportunities for physical activity. Active transportation includes walking, wheeling or biking, and public transit. **Applications are due May 13, 2022.** Interested municipal officials may participate in

a non-mandatory webinar about the grant program on April 8, 2022. For more information, including program details and applications, [click here](#).

LTAP'S "BUILD A BETTER MOUSETRAP" COMPETITION – APPLICATIONS DUE MAY 6, 2022

Have you or one of your coworkers recently built an innovative gadget or developed an improved way to do a job? **PennDOT is looking for projects that you, your employees, or crew designed and built. It can be anything from the development of tools, equipment modifications, and/or processes that increase safety, reduce cost, improve efficiency, and improve the quality of transportation.** Submit your entries by Friday May 6, 2022. Entries will be judged by a committee of municipal road employees on cost savings/benefits to the community, ingenuity, transferability to others, and effectiveness. There is a link to the application on the LTAP homepage under "News", or use this link [2022 Application](#). If you have questions, please feel free to email them to ltap@psats.org, or call Karen Atkinson at 717-763-0930 ext. 156.

PENNDOT'S 2022 MUNICIPAL ROAD MAINTENANCE AND SAFETY SYMPOSIUM

Every municipal budget across the commonwealth shares the same big line item: road maintenance and safety. How can you be sure you are doing the best possible job with limited resources? **By attending PennDOT's 2022 Municipal Road Maintenance and Safety Symposium, where you will hear from road maintenance experts, transportation safety professionals, and municipal officials who have a deep understanding of standard road maintenance and safety practices, as well as an eye on new products, services, and technologies.** During the three - day symposium, you will have access to 13 road-related workshops, and the "Roadmasters Roundtable" Q&A, plus unlimited entry into the largest municipal exhibit shows in Pennsylvania. All in one place! Click [here](#) for more information and to register. The cost is \$79.00 and registration is limited.

"EVERY DAY COUNTS" (EDC) PROGRAM

FHWA is actively soliciting ideas for proven, market-ready, and transformative innovations to promote in the next round of EDC. **The Every Day Counts (EDC) program is a State-based model that identifies and deploys proven, yet underutilized innovations that make our transportation system adaptable, sustainable, equitable and safer for all.** Click the link to learn more about the EDC program: <https://www.fhwa.dot.gov/innovation/everydaycounts/>. The door is now open through April 11, 2022 for you to send proven, market-ready, transformative innovations that could be part of the next round of EDC. The [EDC Call for Ideas](#) website provides instructions for submitting ideas and provides an opportunity to comment on the [innovations of interest](#).
