## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

County Commissioners  
County of Adams  
Gettysburg, Pennsylvania

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of COUNTY OF ADAMS, PENNSYLVANIA, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise COUNTY OF ADAMS, PENNSYLVANIA'S basic financial statements and have issued our report thereon dated September 22, 2015. We conducted our audit in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our report includes a reference to other auditors who audited the financial statements of the Adams County Industrial Development Authority, as described in our report on COUNTY OF ADAMS, PENNSYLVANIA's financial statements. The financial statements of the Adams County Industrial Development Authority were not audited in accordance with *Government Auditing Standards*. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the COUNTY OF ADAMS, PENNSYLVANIA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of COUNTY OF ADAMS, PENNSYLVANIA'S internal control. Accordingly, we do not express an opinion on the effectiveness of COUNTY OF ADAMS, PENNSYLVANIA'S internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charges with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify certain deficiencies in internal control as described in the accompanying schedule of findings and questioned costs as Findings 2014-001, 2014-003, and 2014-004 that we consider to be material weaknesses.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether COUNTY OF ADAMS, PENNSYLVANIA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **County of Adams, Pennsylvania's Responses to Findings**

COUNTY OF ADAMS, PENNSYLVANIA's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. COUNTY OF ADAMS, PENNSYLVANIA's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of COUNTY OF ADAMS, PENNSYLVANIA's major federal and DHS programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; and the Pennsylvania Department of Human Services Audit Supplement. Those standards, OMB Circular A-133, and the Pennsylvania Department of Human Services *Single Audit Supplement* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal and DHS program occurred. An audit includes examining, on a test basis, evidence about COUNTY OF ADAMS, PENNSYLVANIA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and DHS program. However, our audit does not provide a legal determination of COUNTY OF ADAM, PENNSYLVANIA's compliance.

Management of the COUNTY OF ADAMS, PENNSYLVANIA, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the COUNTY OF ADAMS, PENNSYLVANIA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and DHS program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and DHS program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the Pennsylvania Department of Human Services *Single Audit Supplement*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. ## *Zelenkofske Axelrod LLC*

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or DHS program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or DHS program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance*, is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or DHS program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as Findings 2014-002, 2014-003, 2014-004, and 2014-005 that we consider to be material weaknesses.

COUNTY OF ADAMS, PENNSYLVANIA's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. COUNTY OF ADAMS, PENNSYLVANIA's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133 and the Pennsylvania Department of Human Services *Single Audit Supplement*. Accordingly, this report is not suitable for any other purpose.

Section II - Financial Statement Findings

Finding Summary

The following is a summary of the Financial Statement Findings.

Finding 2014-001:

Accounting Records

Criteria:	The accounts of the County should include all significant transactions in the period of benefit.
Condition:	During the audit, certain audit adjustments were required to record additional receivables/revenues, capital assets, and debt after the County's year-end close of the accounting records.
Cause:	Transactions were not recorded in the period of benefit.
Effect:	The financial records did not reflect the correct financial activity of the period which would result in a material misstatement of the financial statements.
Questioned Costs:	None.
Recommendation:	The County should ensure that internal control procedures over financial reporting are sufficient to identify and record all material adjustments.
Management's Response:	The County will ensure that internal control procedures over financial reporting are sufficient to identify and record all material adjustments.

The following findings in this section are presented in detail in Section III-Federal and Pennsylvania Department of Human Services Awards' and Questioned Costs.

<u>Finding Reference</u>	<u>Finding Summary</u>
2014-003	Title IV-E Foster Care, Title IV-E Adoption Assistance, Child Welfare Services, and PA Department of Human Services Children, Youth, and Families Program – Reporting

Section III - Federal and Pennsylvania Department of Human Services Awards Findings and Questioned Costs

<u>Finding 2014-002:</u>	<u>Procurement, Suspension, and Debarment</u>
	CFDA #20.205 Highway Planning and Construction Cluster
Criteria:	OMB Circular A-133 requires the County to not contract with providers of service that are suspended or debarred.
Condition:	For 2 out of 2 contracts selected for testing, one contract did not contain a suspension/debarment clause nor was the County able to provide documentation to confirm that the provider was not suspended or debarred prior to contracting with the provider. The remaining provider did not have a contract with the County and the County was unable to provide documentation to confirm that the provider was not suspended or debarred prior to appointing the providers.
Cause:	The County did not have proper controls in place to ensure that the provider of service was not suspended or debarred prior to contracting with the provider. For the other provider that did not have a contract with the County, the Board of Commissioners appoints that provider every four years.
Effect:	The County is not in compliance with OMB Circular A-133 Compliance Requirements over Procurement, Suspension, and Debarment and the internal controls are not operating effectively. However, we viewed the government's website noting that the providers were not on the list of suspended/debarred contractors.
Questioned Costs:	None.
Recommendation:	The County should include a clause in their contracts with providers to ensure that all providers receiving funds certify that they are not suspended or debarred. In addition, the County should have a contract with every provider of service.

<u>Finding 2014-002:</u>	<u>Procurement, Suspension, and Debarment (Continued)</u>  CFDA #20.205 Highway Planning and Construction Cluster
Management's Response:	The County will include a clause in their contracts with providers to ensure all providers receiving funds certify that they are not suspended or debarred. In addition, the County will have a contract with every provider of service.
 <u>Finding 2014-003</u>	 <u>Reporting</u>  CFDA #93.645 Child Welfare Services CFDA #93.658 Foster Care Title IV-E CFDA #93.659 Adoption Assistance Title IV-E PA Department of Human Services – Children, Youth & Families Program
Criteria:	Pursuant to Office of Management and Budget Circular A-133, and Pennsylvania Department of Human Services Single Audit Supplement, the County is required to ensure all reports filed with granting agencies accurately reflect the program's revenues and expenditures recorded on the County's General Ledger.
Condition:	As a result of our testing of reporting requirements, we noted the expenditure reports for the County's Children and Youth Department did not agree to the revenues and expenditures recorded on the County's General ledger. The expenditures on the County's general ledger were \$537,200 higher than the expenditures reported to the state.
Cause:	The Children & Youth Program did not prepare a written reconciliation of revenues and expenditures per their report to the revenues and expenditures recorded on the County's General Ledger.
Effect:	The Children & Youth Program is not in compliance with OMB A-133 and the Pennsylvania Department of Human Services Single Audit Supplement reporting requirements.
Questioned Costs:	The amount of questioned costs, if any, is undeterminable.
Recommendation:	The County should implement procedures to ensure that all filed reports are reconciled to the County's General Ledger prior to submission.
Management's Response:	The County will implement reconciliation procedures to ensure that all reports filed with granting agencies are accurately reflected in the program's revenues and expenditures of the County's general ledger.

<u>Finding 2014-004</u>	<u>Subrecipient Monitoring</u>
	PA Department of Human Services – Children, Youth & Families Program
Criteria:	Pursuant to the PA Department of Human Services Common Requirements, the Program is required to perform monitoring activities over their subrecipients throughout the year to ensure accountability for the use of funds and compliance with applicable regulations.
Condition:	As a result of our testing of Pennsylvania Department of Human Services subrecipient monitoring requirements, we noted for 2 out of 25 subrecipients tested that the program either did not obtain an audit report or the program did not perform any additional subrecipient monitoring procedures for the subrecipients that did not have an audit report.
Cause:	The Program did not ensure an audit was obtained and reviewed or the program did not perform other monitoring procedures for subrecipient that did not have an audit performed.
Effect:	The Program is not in compliance with subrecipient monitoring requirements. In addition, the internal controls over subrecipient monitoring are not operating effectively.
Questioned Costs:	The amount of questioned costs, if any, is undeterminable.
Recommendation:	The Program should follow its procedures to ensure that its subrecipients are monitored to ensure accountability for the use of funds and compliance with applicable requirements.
