

# ADAMS COUNTY OFFICE OF PLANNING & DEVELOPMENT

## Comprehensive Planning

Responsibilities are multi-faceted and associated with long-range planning activities, economic visioning, community assistance, and advisory reviews

## DIVISIONS of ACOPD

The Office comprehensively guides planning policy to enhance quality of life for the residents, while conserving the uniqueness of the County.

## Conservation District

Promotes conservation and stewardship of water and soil resources through programs related to water quality, nutrient management, and the prevention of mosquito borne diseases

## GIS

Creates and maintains digital data and mapping applications to better understand locations and assist in problem solving and decision making

## Rural Resources

Supports agricultural land preservation; park, rec, and open space grants; cultural and natural resource protection; and drone operation
