

## **CJAB – Housing Committee**

**4-11-2022**

**In Attendance:** Kristi Fields (DPS, Chair), Gale Kendall (DPS), Aurora Hollabaugh (DPS), Tiffani Kleiser (York/Adams MH/IDD), Commissioner Qually, Neil Burkholder (DOS)

**Goal:** Evaluate the possible housing issue within the criminal justice population and possible ways to assist in this area

Discussions began initially about developing a survey, so we have a starting point to collect data.

- What is the point of the time study? (Need a snapshot)
- Who do we survey? (All currently on supervision with probation and in jail)
- How do we do it? (Pick a day – send a text through AP case management and poll incarcerated)
- Define couch surfing:
  - Week here or there
  - One who is not on a lease

Discussion of the sample survey questions that were sent to the group for review.

- Keep survey short (Page 1 of sample survey questions used as reference)
- Questions were determined (See attached)

Suggested timeframe for this survey:

- Send out survey in June
- Data results in July

### **Next Steps:**

- Review attached survey questions
- Set date the survey will go out
- Finalize the process for survey roll-out

**Next Meetings:** May 12, 2022 @ 830am in MPR #13 @ HSB
