

## **PENNSYLVANIA'S 12-YEAR PROGRAM TRANSPORTATION SURVEY RESULTS**

The 2023 Public Comment Period for the update of the 12-Year Program began on March 1, 2023, and concluded on April 30, 2023, generating 10,573 survey responses. 4,248 mapped points were also received from survey participants, with 127 already being addressed by planned projects. **Although the Public Comment Period has concluded, the [Transportation Survey](#) will remain open until September 30, 2023, in order to provide the public with additional opportunities to get involved in statewide and regional planning processes. Explore the statewide results and results specific to Adams County [here](#).**

## **2023 ROADWAY MANAGEMENT CONFERENCE – REGISTRATION OPEN!**

The Roadway Management Conference brings together hundreds of roadway practitioners from across the region. **The RMC is intended for practitioners who manage, design, construct, and maintain state, county, and municipal roads and streets.** Together they learn from experts and peers, visit with vendors, see equipment, and experience demonstrations relevant to local and state roadway agencies. The RMC is designed to help practitioners prepare for and successfully address public works transportation challenges using proven and innovative methods. **View [Conference Flyer](#) the and [RMC Website](#) for additional details.** The conference will be held October 17<sup>th</sup>-19<sup>th</sup> in Seven Springs, PA. Early bird registration by July 24<sup>th</sup>.

## **ADAMS COUNTY 2023 ACTIVE PROJECTS POSTED ON PENNDOT DISTRICT 8-0 WEBSITE**

PennDOT and its private-sector partners are actively improving our transportation system. **To see all active construction projects underway or planned for 2023, visit [PennDOT's District 8-0 website](#).**

## **PENNDOT'S 2023 TRANSPORTATION ALTERNATIVES SET-ASIDE PROGRAM: DRAFT APPLICATIONS DUE JULY 17TH**

The Transportation Alternatives Set-Aside (TASA) program provides funding for projects and activities defined as transportation alternatives, including on- and off-road pedestrian and bicycle facilities, infrastructure projects for improving non-driver access

to public transportation and enhanced mobility, community improvement activities, and environmental mitigation, trails that serve a transportation purpose, and safe routes to school projects. Project sponsors may include: local governments, nonprofit entities, transit agencies, school districts, and more! Click [HERE](#) for a link to the 2023 program “Guidance and Procedures”. Draft applications are due July 17<sup>th</sup> by 4PM and final applications are due by September 15<sup>th</sup> by 4PM.

## **GRANT OPPORTUNITY: SAFE STREETS AND ROADS FOR ALL (SS4A)**

The purpose of SS4A grants is to improve roadway safety by significantly reducing or eliminating roadway fatalities and serious injuries through safety action plan development and refinement and implementation focused on all users, including pedestrians, bicyclists, public transportation users, motorists, personal conveyance and micromobility users, and commercial vehicle operators. The program provides funding to develop the tools to help strengthen a community’s approach to roadway safety and save lives and is designed to meet the needs of diverse local, Tribal, and regional communities that differ dramatically in size, location, and experience administering Federal funding. **The deadline for applications is 5:00 p.m. Monday, July 10, 2023. Late applications will not be accepted. For more information go to: <https://www.transportation.gov/grants/SS4A>**
