VICTIM IMPACT STATEMENT

Defendant: ____**Case Number:** ____________________________

Print Name of Victim ____

Print Name of Parent or Guardian ____ **Date** ________________

As the victim of a crime, you have the right to submit a **Victim Impact Statement (VIS)** to describe how this crime has affected you, and those close to you. This is a voluntary statement and you are under no obligation to fill out this form. This statement is not confidential and will be given to the defense counsel. Therefore, the defendant may see it as well.

The **VIS** is not a retelling of the incident, but a description of how your life and the lives of your loved ones have been changed by this crime. Please include any emotional changes, physical injuries, lifestyle changes, and/or financial burdens that you may have experienced. Writing Impact Statements can be challenging and emotional, please be patient with yourself as you process your memories and feelings. Take a break if you need to and come back to it when you feel you are ready. A Victim Advocate would be happy to assist you with this process. *(use extra paper if needed)*

1. How would you introduce/describe in your own words your loved one?

2. What have you lost in the way of companionship with your loved one (holidays, family events, special milestones)?

3. What are the consequences of the loss to yourself and other family members?

4. What do you think would be an appropriate sentence for the Defendant?

5. Is there anything else you feel is important for the court to know?
