Hello Members,

If you are like me there are two things you've been waiting to hear; when is warm weather here to stay and when is there going to be an Electronic Recycling Event. Well, I know the answer to one of the two!

If you haven't already heard; September 9th there is going to be an Adams County Electronic Recycling Event. This event will be held at the Adams County Emergency Services/911 Center located at 230 Greenamy Lane, in Gettysburg, between the hours of 10am to 2pm. More information will be coming but what we currently know; there is a pre-registration requirement and only cash will be accepted. A television costs \$25 and \$10 for computer monitors. There will be a list coming out of other items accepted at no cost.

An Executive meeting was held on May 23, 2017; volunteers are still needed to fill the following committees. *Nominations Committee*- Carol Merryman (Chair) 1 member needed; *Resolutions Committee*- Debby Brogan (Chair) 1 member needed; *Public Relations*- Chairperson needs filled; *Audit Committee*- Craig Rockey (Chair) Ricky Ruppert, 1 member needed. Please step forward and volunteer; these positions are not that time consuming; notify President Stephanie Egger. The next Executive Meeting will be held at the Mt. Pleasant Township Office at 1:00PM on Tuesday, July 11, 2017. You are always welcome to attend.

PSATS Reminder

You should have just received PSATS Resolutions adopted and message if you haven't taken time to read it, check out Guidance on Act 172 of 2016. It allows local governments to grant fire and emergency medical service volunteers tax credits for local taxes. This is an optional tax and municipalities have to pass an ordinance to enact it. PSATS has offered a sample ordinance to adopt.
