ACBA MEETING ▪ SEPTEMBER 21, 2015

ACBA COMMITTEE REPORTS

ADAMS COUNTY LAND CONSERVANCY

Bill Chantelau reminded everyone of the Road Rally on October 17th. The theme is "Year of the Pennsylvania Barn". Everyone is encouraged to come out.

Another easement was adopted which brings the total to 136.

RAPID BRIDGE REPLACEMENT

Ron Harris reported that bridges across Adams County will begin to be replaced. He encouraged municipalities to review the schedule and to contact PennDot if there is a bridge being replaced that would affect their municipalities traffic, law enforcement and Emergency Services.

RADIO NETWORK UPDATE

Before the new system can be put in place over 2,200 grids needs to be tested to assure at least 95% reception. The testing has begun and it is anticipated that law enforcement will begin to use the new system on October 20th.

GUEST SPEAKER(S)

ERIC ZANEY – AREMS

Mr. Zaney is the Director of Operations for the Adams Regional Emergency Medical Services, (AREMS). He has 30 years as a paramedic and 25 years of combat medic.

AREMS was formed in March of 2015 and it was formed by merging the EMS services of the Gettysburg Fire Department and United Hook and Ladder. This service will provide both basic life support (BLS) and advanced life support services (ALS) to over 15 municipalities in Adams County, Pennsylvania.

AREMS has about 50 employees with 80% of the staff residing in Adams County. There operational budget is about 1 million dollars and there main source of income is 3rd party billing. AREMS does not received any funds from Fire Tax.

The creation of AREMS came about when Wellspan Health announced in November of 2013 that they would be discontinuing delivery of advanced life support services. A county ALS/BLS steering committee was formed in 2014 to study the emergency medical services in Adams County. Hanover Hospital had planned on continuing ALS service the eastern half of the county therefore this escalated talk between the Gettysburg Fire Department and United Hook and Ladder. The main focus was to continue to provide BLS care and also to provide ALS service to the areas that were not covered by Hanover Hospital and that were affected by Wellspans decision to no longer provide ALS service.
