## **ONWARD2050 PUBLIC SURVEY – OPEN THROUGH SEPTEMBER 30, 2021!**

**ACTPO is making a final push to gather vital feedback for Adams County’s Long Range Transportation Plan update. Submit your feedback NOW!** By completing the ONWARD2050 online public survey, you will help shape the future of the transportation system in Adams County. Click the link to take the survey <https://arcg.is/eTujK> ...Your feedback matters!

A website has also been developed to provide additional information about the LRTP development process. **Users can access the survey, provide feedback using the public comment map, learn about the history of Adams County’s transportation system, explore interactive maps, and more through the ONWARD2050 website:** <https://lrtp-1-adamsgis.hub.arcgis.com/>

## **DEP TO HOST A LUNCH AND LEARN EV WEBINAR – SEPTEMBER 27, 2021**

**This is a live webinar on what state government is doing to help residents, businesses, organizations, and government offices switch to electric vehicles and expand the availability of charging stations in Pennsylvania.** The Department of Environmental Protection and PennDOT are working to develop major highways into EV corridors; add charging locations to 511PA; help fund fleet transitions; provide

rebates to consumers for electric car and motorcycle purchases; and more. Come along for the ride as we look down the road to Pennsylvania's future cleaner transportation. Questions welcome! Visit <https://www.dep.pa.gov/Business/Energy/OfficeofPollutionPrevention/State-Energy-Plan/Pages/Amped-The-Benefits-And-Basics-Of-Driving-Electric-Vehicles.aspx> for more information and to register.
